DISCIPLINE FOR DISCIPLES

Articles of Faith of the
Evangelical United Brethren Church
Article XVI—Civil Government

We believe civil government derives its just powers from the sovereign God. As Christians we recognize the governments under whose protection we reside and believe such governments should be based on, and be responsible for, the recognition of human rights under God. We believe war and bloodshed are contrary to the gospel and spirit of Christ. We believe it is the duty of Christian citizens to give moral strength and purpose to their respective governments through sober, righteous and godly living.

TOUR THE HOLY LAND WITH OUR BISHOP

Bishop Bill McAlilly announces a pilgrimage to the Holy Land February 17-26, 2014. This will not be a commercial tour. It will be a true faith experience. We will worship and learn and visit sites where Jesus walked, taught and prayed. We will discover the images that He used to illustrate His parables. We will come to know Him better as we gain understanding of the world in which He ministered. "I would consider it a privilege to have you with us", says the Bishop. Get brochures, tour host and general information from Memphis Conference Coordinators Philip & Vida McClure at 270-653-3352 or on line at vmcclure1227@att.net.

FROM THE PASTOR'S PEN

In *Abounding Grace: An Anthology of Wisdom*, M. Scott Peck writes, "By all means seek happiness, but do so wisely... Seek to be loved and you probably won't be, seek to love, on the other hand, and you probably will be. Look solely for happiness, and I doubt you'll find it. Forget about happiness, seek wisdom and goodness, and probably happiness will find you. Happiness is usually indirect, a side effect or by-product of something else."

Peace and Grace,
Brother Paul
